part of a complex documentary like Fred Wiseman's High School (1968) is "real" and what part "imagined," and so on. The toughest problem for common-sense definitions of documentary, like

University of Texas Press Society for Cinema & Media Studies

significant political and economic issues of the day. While their content was based in reality, the forms of these early documentary plays were decidedly modernist, often embracing collage, expressionism and minimalism in their dramaturgy and staging. This tension between factual content and expressionist form remains a hallmark of the documentary theatre genre. The second moment of ...
